

Part IV: Definitions

(a) The term "substantially similar" means alike in all material respects as determined by the Department, in its sole discretion.

(b) The term "notice" means written notification to interested persons which includes—

(1) an objective description of the transaction, including all material terms and conditions,

(2) the approximate date on which the transaction will occur,

(3) a statement that the proposed transaction has met the requirements for tentative authorization under this exemption,

(4) a statement apprising interested persons of their right to comment to the Department on the proposed transaction, and

(5) the Federal Register citations for the prior exemptions identified by the party as substantially similar to the contemplated transaction.

(c) For purposes of this exemption, "tentative authorization" occurs upon the expiration of the forty-five (45) day period following an acknowledgement by the Department of receipt of the written submission with respect to the transaction under this exemption unless the Department has notified the party who is to engage in the transaction during that period that the transaction is not eligible for authorization under the terms of this exemption.

(d) For purposes of this exemption "final authorization" occurs upon the expiration of:

(1) the five (5) day period immediately following the comment

period (as defined in section IV(e)), unless the Department notifies the party that the transaction is not eligible for authorization under the terms of this exemption, and

(2) if necessary in order to resolve any substantive adverse comments received by the Department from interested persons within the comment period, a period of time extending beyond the five day period immediately following the comment period as mutually agreed between the Department and the party.

(e) The term "comment period" means the twenty-five (25) day period following the completion of distribution of the notice to interested persons by the party who is to engage in the transaction.

(f) The term "substantive adverse comments" means those comments submitted by interested persons to the Department within the prescribed comment period which raise significant factual, legal or policy issues regarding the transaction as determined by the Department in its sole discretion.

Signed at Washington, D.C., this 21st day of November 1995.
